

**5995 Oakbrook Pkwy  
Norcross, GA 30093**

## SERVICES OFFERED

### ✓ SKILLED NURSING

Services available around the clock for patients with serious health conditions requiring specialized medical support and care. Care is provided by LPNs and RNs.

### ✓ SKILLED PEDIATRIC NURSING

Support services for medically frail infants and children provided by LPNs and RNs. Licensed professionals tend to every care need.

### ✓ HOME CARE

Personal care performed by qualified medical personnel in private residences. Non-medical, light assistance provided for basic activities.

### ✓ COMPANION CARE

Services help the elderly remain in their homes. Non-medical support provided for healthy, independent seniors.

### ✓ ADULT DAY CARE

Care services for the disabled, elderly or ill patients provided in facility. Busy family members and primary caretakers get a reprieve from care responsibilities to meet work or other obligations.
